Voted as **Debt Collection Agency of the Year**, by the CICM, at the British Credit Awards 2023. Global Credit Recoveries are specialists in Debt Collection, Mediation and Arbitration in the UK, Europe, Middle East, the Americas and further afield.

Having secured themselves in the credit industry as specialists in the collection of debt in the Middle East, their success in the region is attributed to a combination of factors including cultural sensitivity, local expertise and

worldwide experienced support for their client base with offices in London, Kent and Dubai and partners all over the world.

Global Credit Recoveries, CEO, Charles Mayhew has been collaborating with our Middle Eastern partners for over 30 years, after being located in the Middle East. Charles has specialised in collecting abroad and trained and upskilled our team to equip them with the skills and knowledge gained over his impressive time in the industry.

"The Middle East is a great place to **live** and **do business** and GCR is proud to be working alongside **government entities** and **commercial businesses** to continue to **mould the future** and **improve business stability** in the **region**."

Charles Mayhew FCICM, CEO
Global Credit Recoveries

Charles continued to share his excitement for the upcoming **Middle Eastern Credit Management Conference 2024** which we are proud joint organisers of this coming May in Dubai where you can meet members of the GCR team as well as many industry experts and top leaders in the world of credit management.
